

COMMONER

Americana band · San Francisco

RIYL Gillian Welch, Townes Van Zandt

ABOUT

With a sound that would love to wade in a stream with Gillian Welch and Townes Van Zandt, Commoner's songs get into weird old feelings, smoky memories, and reverent joy and sorrow. Active in San Francisco for 9 years, the band now plays as a trio: **Lindsey Simon** (songwriter, vocals), **Edward Marks** (drums), and **Richard Weld** (bass). Their second record, "To Seek or To Hide," was released on 10-inch vinyl in November 2024. The band previously played Noise Pop's Americanafest.
